

## **ACCESS THE INFORMATION**

### **from your milk samples in the NML fridge...**

NML's MilkCheck service is a great way to keep track of your milk constituents and hygienic quality.

Results are available via your usual notification method or free of charge through Herd Companion's Milk Quality Monitor.

Test prices range from £2 - £5 dependent on volume.

**Call the NML office on 01902 749920**

The MilkCheck logo features the word 'MILKCHECK' in a bold, purple, sans-serif font. The 'C' in 'CHECK' is stylized, with a purple circle behind it that overlaps the letter. To the right of the text are three overlapping purple circles of varying sizes, arranged in a cluster.

### **The Test**

The MilkCheck service provides you with bulk milk testing in addition to your weekly milk buyer payment test. NML will test for SCC, Fat, Protein, Bactoscan, Lactose and Urea.

### **The Results**

Results are available through normal notification methods. These include post, fax, email, text message or online via Milk Quality Monitor on [www.nmr.co.uk/herd-companion/](http://www.nmr.co.uk/herd-companion/)
