**For individual cow milk or blood samples please complete the form overleaf.**

<b>BULK MILK TESTING</b>				
<ul style="list-style-type: none"> <li>You don't need to collect a bulk milk sample – we receive daily samples from every farm for payment testing. You simply need to indicate what testing is required from the list below and we will test the next available bulk milk sample(s). We can carry out ad-hoc sampling or we can schedule repeated bi-annual or quarterly testing.</li> <li>NOTE: Please ensure a third party authorisation form has been completed to approve the release of samples for testing. The form can be found on the Herd Companion website: <a href="http://www.herdcompanion.co.uk">www.herdcompanion.co.uk</a></li> </ul>				
Test option	Ad-hoc      Bi-annual      Quarterly			
<b>Antibody</b>	BVD			
	Lepto			
	Johne's			
	IBR			
	IBR gE			
	Liver Fluke			
<b>PCR</b>	BVD			
	Mastitis ID
